but you had a good experience I live in Thailand and I had a friend who had it done in Bangkok, one day with the catheter and 5 days later he is on the plane to San Francisco.

It just goes to show you have to experiment with some of their products until you find what you like, but there are huge savings to be had.

We will bill patients for charges not covered by insurance.

I see the same problem with the design of this study as Orson Scott Card sees with studies regarding the effectiveness of prayer.
