patterns on the river revolve around vegetation (eelgrass and hydrilla) and hard cover (bulkheads, docks and piers, rocks, riprap and laydowns).

my wife doesn't smoke, and my teenage daughter has so far -- without any coaching from us (we didn't feel it was necessary) -- resisted peer pressure to take up smoking

"no eran slas leyes, era la vigilancia social sobre las mujeres y la sociedad del cotilleo y del rumor

now, years later, i am doing well
